SEDRO-WOOLLEY HOUSING AUTHORITY

TO: Board of Commissioners

FROM: Bill Cook

DATE: June 18, 2015

RE: Adoption of a Non-Smoking Policy for all Sedro-Woolley Housing Authority Properties

During the April 2015 Board of Commissioners meeting, commissioners received a briefing covering the proposed adoption of a non-smoking policy for all Sedro-Woolley properties managed by KCHA Property Management staff.

Included with this memo is a compilation of all the comments received at two community meetings held at Hillsview on May 27th, 2015. A public hearing is also scheduled for 10:00 AM on June 18th, 2015 at Hillsview before the Board of Commissioners meeting.

A summary of the public comments received show that residents are concerned about the policy and how it impacts them. Property Management believes that residents support implementing the policy but have concerns about designated smoking areas.

In addition, HUD has also published (on numerous occasions) its recommendation that all Public Housing Authorities convert their units to non-smoking as soon as reasonably possible.

Some key points to consider:

- Property Management staff have historically shown that staff will do everything possible to avoid terminating assistance of any of its residents who cannot comply with any of our policies.
- Property Management staff will continue to offer cessation support and materials to residents who would like to quit smoking.
- Constant communication between residents and staff is crucial to the understanding and enforcement of this policy.
- Residents are free to submit reasonable accommodation requests to assist in complying with the policy.
- Property Management staff has several options at its disposal to assist residents who reach the final stages of enforcement of this policy.

Therefore, Property Management recommends that the board of commissioners approve the conversion of all Sedro-Woolley Housing Authority communities to non-smoking. Included in the briefing packet is the enforcement flowchart and addendum residents must sign acknowledging the non-smoking policy.

Sedro-Woolley Housing Authority New Non-Smoking Policy Resident Meeting
Wednesday, May 27, 2015
Meeting started at 2:00 PM

- Bill Cook presentation
- Cathy - will we have smoking urns outside? Answer: Yes.
Can't smoke on deck? Answer: Yes.
- Patty wants designated smoking area in back where no animals poop and pee.

Answer: Gazebos/Smoking structures are expensive and would need to be handicapped accessible. It is a Board decision, we do have other sites down south that have had designated smoking areas; we could come up with that if need to.

- Reba: I've spent 23 years here, sees nothing wrong with smoking on decks; she is not going to quit smoking.

Answer: Bill said smoke goes up in others' windows and that management is not asking residents to quit smoking.

- Wendy Lanier – sees no problem with balcony smoking.

Answer: This is SWHA's choice now but it appears that HUD will make this a mandatory policy in 6-12 months.

- Kristen: What happens if we do not sign addendum?

Answer: This is a required lease document that needs to be signed by all residents. Residents are being given the required 30 day notice of a change in the lease terms. This policy change must be passed by the Board of Commissioners before it goes into effect.

- Cathy: Where is the common area? Can I sit in the car and smoke?

Answer: Smoking needs to occur 25 feet away from the buildings. Yes, if it's 25 feet away.

- Butch: When is HUD asking for this?

Answer: Within 6-12 months this will most likely be a HUD mandate.

- Patty: Are we taking cooking away? Does it include marijuana? E-cigarettes?

Answers: No. Yes. Vaping not addressed yet, is not combustible, and is not included in the policy right now. Candles are allowed, but incense is not allowed.

- Ora Cotton: Incense is a part of my prayer – you're messing with my religion.

Answer: Smoking related substances will not be allowed.

- What about the foul weather?

Answer: Discussed umbrellas & SWHA possibly providing them. We will put a smoking urn on the deck of the Community Room.

- Tenant: It is legal to smoke, we are tired of no consideration for smokers –about time we get consideration.
- Emma spoke about her physical issues & need to smoke.

Answer: The policy is not designed to punish anyone.

- Patty – more success getting people off heroin than smoking - She’s smoked since 15 – now only smokes when she needs it or is upset.

Answer: We do have smoking cessation service cards (800-QUITNOW).

Other Comments:

Received call from Kaye Chapman – former tenant – 5/27 2:30pm

Lived in Hillsvew until 2006 or 2007. Thankful for new policy because smoking by neighbors caused her to have to move due to smoking. She sympathized with neighbors on oxygen. Also, questioned how will deal with marijuana.

(I clarified that the smoking policy applies to all forms of smoking.)

Sedro-Woolley's Housing Authority New Non-Smoking Policy Resident Meeting
Wednesday, May 27, 2015
Meeting started at 5:30pm

- Bill's presentation
- Becky Moore: From old apartment to new apartment I smoked on the deck now – can I keep doing that?

Answer: HUD has made it clear that smoking must take place 25 feet away from building.

- Bonnie: Is a gazebo possible?
- Answer: Yes, it's an option – the challenges are cost and that it needs to be accessible. Capital funds would need to be allocated.
- What about vapor cigs?

Answer: These are not outlawed yet. As of right now, it is allowed.

- Bottom line if we are not fully compliant with all demands will we be evicted?

Answer: Yes this is a possibility. This would qualify as a lease violation. We hope it won't get to this point. Bill quoted another resident from the earlier meeting: "I won't lose housing because I need to smoke. I will comply."

- Becky: Her Grandma won't be able to go outside – smokes on her deck now. Need to find a way to do this.

Answer: Residents will need to find a way to go outside to smoke once the policy is in effect.

- Does this policy include pot smokers?

Answer: Yes, all smoking materials are covered under this policy.

- Bonnie: A lot of this would be resolved if you guys build a gazebo. You'll get more cooperation.

Answer: This is helpful feedback. There will be an official public comment period right before the board meeting in June. We encourage residents to come to that meeting and express their thoughts.

- Sara Hodgins: Supportive of the policy. She used to smoke – has allergies – this is better for everyone.

Answer: Our society is going in this direction, including not allowing smoking in apartments.

- Becky agrees that there should not be smoking indoors, but the deck should be no problem.

Answer: If HUD agrees that residents can smoke on decks, we could change the policy down the road.

- Becky spoke about her old unit that was disgusting from smoke damage.

- What day is the meeting for HUD?

Answer: The board meeting is at 10:45 on June 18th. There will be a public comment period before the board meeting.

- Lots of people feel like this is being crammed down their throat.

Answer: Some Housing Authorities take longer to institute this policy. SWHA is one of only 4 HA's in the State of Washington to not implement non-smoking policies.

C. Tenant on Tenant Harassment Policy

1. General Policy.

It is the policy of the HA that harassment or intimidation of a tenant, staff person or guest because of that person's race, color, national or ethnic origin, religion, sex, disability, familial status, marital status, parental status, or sexual orientation violates fair housing laws and the Dwelling Lease and will not be tolerated. Discriminatory harassment or intimidation, including abusive, foul or threatening language or behavior, is specifically prohibited.

The HA expects all staff to model appropriate non-discriminatory behavior and strive to cultivate and maintain a living environment that is free from discriminatory harassment or intimidation. Staff who witness or learn of possible discriminatory harassment or intimidation or receive a complaint

from a tenant must take it seriously and respond promptly according to the procedures outlined in this policy.

2. Procedures

HA staff that observe any situations that could be an emergency, such as a threat of bodily harm, must call 911 immediately.

When a tenant complains of discriminatory harassment, HA staff will inform the tenant that the HA takes the complaint seriously and will be looking into the matter.

A prompt investigation must be conducted to determine whether a violation of this policy has occurred based on all facts and circumstances, the nature of the allegation, and the context in which the alleged incidents occurred.

- (a) When discussing the allegations with the alleged harasser, the tenant must be informed that harassment is not tolerated and that the HA will be investigating the allegation.
- (b) All information gathered must be documented.

If HA staff is unable to verify a violation of the policy following the investigation:

- (a) The complaint will be documented and results of the investigation placed in both the complaining parties and alleged harasser's files.
- (b) Each individual alleged to have engaged in discriminatory harassment must be reminded about the HA's serious commitment to a housing environment free of harassment and that retaliation against the complaining party will not be tolerated.
- (c) Both parties must be informed in writing of the outcome of the investigation.

If the investigation supports a violation of this policy:

- (a) The complaint and results of the investigation are to be documented in both the complaining parties and alleged harasser's files.
- (b) HA staff shall treat the incident as a serious lease violation and proceed with progressive disciplinary action up to and including eviction if necessary for ongoing or serious violations:

For example, if the allegation involves an isolated incident of a single derogatory statement, it may be appropriate to issue a 10-day warning notice to comply with a stern written warning that additional incidents could result in termination of tenancy. On the other hand, if the allegation involves a single incident of highly

offensive language with threats, it may be appropriate to proceed with an eviction action. In the latter case, if threats are made to the physical safety of any person, HA staff should consult promptly with the Director of Housing Management.

- (c) The complaining party shall be informed of the results of the investigation and the actions taken.
- (d) All parties must be reminded that retaliation against the complaining party or others involved in the investigation will not be tolerated and will be dealt with in the same manner as the original allegation of discriminatory harassment under this policy.

3. Retaliation

Retaliation by a tenant or HA staff against any tenant complaining of harassment will not be tolerated.

The Area Manager must monitor the situation for retaliation against any person involved in the filing or investigation of a complaint of discriminatory harassment or intimidation.

D. Receipt of a Letter or Notice from HUD Concerning Tenant Income Discrepancies

1. If a public housing resident receives a letter or notice from HUD (under HUD's Computer Income Matching program) concerning the amount or verification of family income, the letter shall be brought to the person responsible for income verification within the time limits specified in the correspondence.
2. If the public housing tenant fails to come forward, as requested by HUD, the Housing Authority will follow HUD guidelines established to ensure timely resolution of the reported income discrepancy.
3. The Area Management Office shall reconcile any difference between the amount of family income reported by the resident and the amount of income listed in the HUD communication. This shall be done as promptly as possible.
4. After the reconciliation is complete, the Housing Authority shall adjust the resident's rent beginning at the start of the next month unless the reconciliation is completed during the final five (5) days of the month and then the new rent shall take effect on the first day of the second month following the end of the current month. In addition, if the resident had not previously reported the proper income, the Sedro Woolley Housing Authority shall do one of the following:

- (a) Immediately collect the back rent due to the agency;
 - (b) Establish a repayment plan for the resident to pay the sum due to the agency;
 - (c) Terminate the Lease and evict for failure to report income; or
 - (d) Terminate the Lease, evict for failure to report income, and collect the back rent due to the agency.
5. If the resident fails to respond to HUD's or the Housing Authority requests for notification/clarification of the amount of family income the family shall be determined to be in non-compliance with their dwelling lease.

E. Inspections

1. Types of Inspection

(a) Move-In Inspection

An authorized representative of the Housing Authority and an adult family member will inspect the premises prior to commencement of occupancy. A written statement of the condition of the premises will be made, including all equipment provided, and the statement will be signed by both parties with a copy retained in the Housing Authority file and a copy given to the family member. An authorized Housing Authority representative will inspect the premises at the time the resident vacates and will furnish a statement of any charges to be made provided the resident turns in the proper notice under State law. The resident's security deposit can be used to offset against any Housing Authority damages to the unit.

(b) Annual Inspections

The Housing Authority will inspect each public housing unit annually to ensure that each unit meets the Housing Authority's housing standards. Work orders will be submitted and completed to correct any deficiencies.

In addition, this inspection will be used to ensure that the Tenant is maintaining the unit in a safe and sanitary manner. Special

Inspections may be scheduled if the inspection results in a determination that closer monitoring of the Tenant's housekeeping standards and upkeep of the unit is needed.

(c) Preventative Maintenance Inspections

This is generally conducted along with the annual inspection. This inspection is intended to keep items in good repair. It checks weatherization; checks the condition of the smoke detectors, water heaters, furnaces, automatic thermostats and water temperatures; checks for leaks; and provides an opportunity to change furnace filters and provide other minor servicing that extends the life of the unit and its equipment.

(d) Emergency Inspections

If any employee and/or agent of the Housing Authority have reason to believe than an emergency exists within the housing unit, the unit can be entered without notice. The person(s) that enters the unit will leave a written notice to the resident that indicates the date and time the unit was entered and the reason why it was necessary to enter the unit.

(e) Pre-Move-Out Inspections

When a tenant gives notice that they intend to move, the Housing Authority will offer to schedule a pre-move-out inspection with the family. The inspection allows the Housing Authority to help the family identify any problems which, if left uncorrected, could lead to vacate charges. This inspection is a courtesy to the family and has been found to be helpful both in reducing costs to the family and in enabling the Housing Authority to ready units more quickly for the future occupants.

(f) Move-Out Inspections

After the tenant has vacated and returned keys to the unit, the Housing Authority will conduct an inspection to assess the condition of the unit and to determine responsibility for any needed repairs. The Tenant shall be encouraged, whenever possible, to be present for the move-out inspection by arranging the date and time for the inspection with their Area Office. The move-out inspection becomes the basis for any claims for damage and repair that may be assessed against the security deposit.

(g) Special Inspections

Special Inspections of a rental unit may be scheduled to (1) enable HUD, or HUD's agent, to inspect the housing stock maintained by the Housing Authority in accordance with federal requirements; (2) enable an assessment of any charges that should be assessed against a Tenant's Pet Deposit when the Housing Authority has been notified that the pet no longer resides in the unit and a refund of the deposit has been requested; (3) other reasons deemed necessary by the Housing Authority in order ensure proper upkeep and maintenance of the dwelling unit or to project future repair/improvement needs.

2. Notice of Inspection

For inspections defined as annual inspections, preventative maintenance inspections, and special inspections, the Housing Authority will give the tenant at least two (2) days written notice and/or such notice as required by any annual HUD REAC inspection. When the date and time of the inspection is within the control of the Housing Authority, the Tenant may contact the Area Office and ask that the inspection be scheduled for a time that is mutually agreeable, in order to allow the Tenant or Tenant Representative to be present during the inspection. When the date and time of the inspection is controlled by HUD or the designated HUD agent, the Housing Authority will be unable to accommodate the Tenant's need to reschedule.

F. Transfers

Transfers may be requested and will be reviewed and processed according to Exhibit P.

G. Abandonment

If personal property left by the Tenant is stored, the Housing Authority will mail a written notice to the Tenant at the address last known or provided to the Housing Authority notifying the Tenant that specified articles are being stored at a specific location and that said articles are deemed abandoned and will be disposed of without sale and without further notice forty-five (45) days after the date of the notice unless claimed and removed by the Tenant.

H. Absence from Dwelling or Unit

It will be the policy of the Housing Authority that, in order to remain living in a public housing unit, a family is expected to reside continuously in the dwelling unit and may be absent only for brief periods. Absence means that no member of the family is residing in the unit. This policy will be enforced utilizing the following requirements:

- 1) The family must notify the Housing Authority of any absence from the dwelling unit including providing any information requested concerning the purpose of the family absences.
- 2) The Housing Authority may verify family occupancy in the unit, or absence from the unit, by such techniques as visits, calls or letters to landlords, neighbors, etc.
- 3) The following specific policies apply:
 - (a) Absence from the dwelling unit due to incarceration after being convicted of a crime will result in the immediate termination of housing assistance.
 - (b) Absence from the dwelling unit due to hospitalization or rehabilitation will be limited to a maximum period of (90) days in any twelve-month period (extensions due to unforeseeable circumstances regarding hospitalization or rehabilitation may be granted up to 30 additional days);
 - (c) Absence from the dwelling unit due to vacations will be limited to a thirty day period in any twelve (12) month period;
 - (d) Absence from the dwelling unit due to temporary relocation due to employment will be limited to 180 days.
4. If a family is absent for longer than the maximum period permitted above, the family will be served with a Notice to Terminate Tenancy.

I. Return of Security Deposit

After a family moves out, the Housing Authority will return the security deposit within fourteen days or give the family a written statement of why all or part of the security deposit is being kept. The rental unit must be restored to the same conditions as when the family moved in, except for normal wear and tear. Deposits will not be used to cover normal wear and tear or damage that existed when the family moved in.

The Housing Authority will be considered in compliance with the above if the required payment, statement, or both, are deposited in the U.S. mail with first class postage paid within fourteen days.

J. Return of Pet Deposit

Generally, Pet Deposits will be returned to the Tenant within 30 Days after verification that the Pet has been removed from the unit. Prior to the issuance of any refund of the pet deposit, the Housing Authority will inspect the unit to determine whether there are any damages to the unit caused by the pet. Any charges for damages caused by the Pet will be deducted from the Pet Deposit and the balance, if any, will be refunded to the Tenant within the time limit noted above. Any amounts for damages incurred above the amount of the Pet Deposit will be charged to the Tenant account and must be paid in accordance with the terms of the Dwelling Lease.

When a Tenant and Tenant household vacates their leased unit, the PetDeposit will be refunded, following the assessment of any charges for damages caused by the pet, within 14 days of the date the unit becomes vacant.

K. Lead-Based Paint Procedures

1. Inspection Pre-1978 Units

Housing Administrators will conduct visual assessments annually during annual review inspections and all new housing inspections. These inspections will be maintained in each resident file. Common areas will be inspected quarterly by the Area Property Manager and Area Maintenance Supervisor. These inspections will be filed in the Area Management Office. All inspectors will have completed HUD Visual Assessment training. The annual review inspection form and quarterly inspection form and quarterly inspection forms will have designated areas for listing deteriorating paint. Any identified lead-based paint hazards will be addressed according to regulations detailed in the Federal Register.

2. Children with Elevated Blood Level of Lead

Within 15 days after being notified by a Public Health Department or other medical health care provider that a child under six years of age living in a public housing development has been identified as having an environmental intervention blood lead level, the Housing Authority will complete a risk assessment of the unit and common areas servicing the unit. The risk assessment is complete when the Housing Authority receives the risk assessment report. The risk assessment will be done whether the child is or is not still living in the unit when the Housing Authority receives the notification of the environmental intervention blood level. If the Public Health Department has conducted an evaluation of the unit, the Housing Authority does not need to do a risk assessment.

After receiving information from someone who is not a medical provider that a child less than six years old living in public housing has an environmental intervention blood level, the Housing Authority shall immediately verify the information with the Public Health Department or other medical provider.

Within 30 days after receiving the risk assessment report, the Housing Authority will provide the name and address of a child identified as having an EBL to the Public Health Department within five working days of being notified. The Housing Authority will also report each known case of a child with environmental intervention blood level to the HUD field office.

If the risk assessment conducted pursuant to this section identifies lead-based paint hazards and previous evaluations of the building did not, the PHA shall conduct a risk assessment of the other units of the building.

SEDRO-WOOLLEY HOUSING AUTHORITY

INTEROFFICE MEMORANDUM

To: The Board of Commissioners
Date: May 29, 2015
From: Jeff Friend, Financial Reporting Manager
Subject: April 2015 Financial Report

Attached for your review is an unaudited year-to-date financial report as of April 30, 2015. This report shows year-to-date actual results, budgets and variances expressed in both dollars and percentages. The report, in a working capital format, details revenues, expenses, and other sources/uses of working capital. Working capital is defined as current assets minus current liabilities and is a metric that is used to measure the ability of an organization to meet its near-term obligations (less than one year). Each report in this format will reconcile the current period working capital to that of the prior period.

Summary: Year-to-date operating revenues and operating expenses are 1.2% over budget and 2.4% below budget, respectively.

Key Operating Revenue Variances

| | Variance (\$) | Variance (%) |
|------------------------|---------------|--------------|
| Dwell Rent | \$ (43) | -0.1% |
| Operating Fund Subsidy | 1,938 | 2.1% |
| | \$ 1,895 | 1.2% |

Key Operating Expense Variances

| | \$ Var | % Var |
|----------------------------|----------|-------|
| Salaries, Wages & Benefits | \$ 2,224 | 6.7% |
| Occupancy Expenses | 1,464 | 1.8% |
| Admin Support Expenses | (55) | -0.2% |
| | \$ 3,633 | 2.4% |

- Green are positive variances
- Yellow are negative variances of less than 5%
- Red are negative variances greater than 5%

Operating Revenue and Expense: Operating revenues and expenses were very close to target through April. Salaries, Wages, and Benefits were over target due to overtime earned by the Property Management Specialist.

Non-Operating Revenue and Expense: Non-operating revenues and expenses are both over target as all four budgeted unit upgrades have already been completed. The budget assumed costs and related revenue would be incurred evenly throughout the year. The budget will sync-up to actual unit upgrade expense as the year progresses.

Working Capital: The year-to-date working capital balance is \$331,276; the equivalent of approximately 9 months of operating expenses.
